- **WE'D LIKE TO PREPARE FOR A SUMMER OF SHARING** during our outdoor services July and August. What has God been up to in your life over the last year or so? What victories have you had? How have you grown? What challenges or struggles have you faced? These are the kinds of questions you could answer as you share a testimony with your faith community this summer. It could be just a few minutes or a bit longer. Perhaps you could read to us a poem or journal entry you've written that expressed these sentiments. Maybe a work of art or a woodworking project expresses how God is working in your life. Whatever it may be, these kinds of testimonies build up our body and you are invited to share. If you are willing to share please mark your connection card and indicate a couple of Sundays in July or August that would work well for you. We'll set up a schedule of sharing from there. Thank you for your participation!
