For those who'd like to explore missional concepts in a deeper way, consider participating in Forge America's **Missionary Formation Residency** with a group of others from CCAM. This course is very doable for anyone! Each session of this six-month residency includes approximately 20-30 minutes of video, 1-2 action steps followed by some time of reflection. There is also some optional reading assigned from books on the recommended reading list for more in-depth input. While this residency is a "go at your own pace", we will attempt to keep a 2-week per session pace from October 27th through May 3rd with some extra space in the schedule to account for holidays. The only added "requirement" is for you to submit, via email, a few sentences of your experience/reflection to Pastor Dale by the end of each session. This is simply for accountability and encouragement during (and potentially after) the residency.

Two Simple Steps to enroll in the residency:

1. Go to <https://forge.teachable.com/>, preview and/or enroll in the FREE Course (Missionary Formation Residency).
2. Once enrolled, copy the following sentence into an email and send it to pastordale77@gmail.com to indicate your commitment: *Dear Dale, I have enrolled in the Missionary Formation Residency through Forge America and would like you to hold me accountable via email as I make this journey. I will send you a brief reflection via email as each of the 12 sessions wrap up.*
