HOW THEY MET – LOREN & SANDI MEYERS

BY ANN MEYERS

It all began in September of 1970 when both Loren and Sandi were taking the same English class through an extension of Alfred. Loren was 29 and working at Agway and Sandi was 22 and engaged in her work at the Department of Social Services. In October of 1970, their classmates encouraged Loren and Sandi to get to know each other. Loren made the first move and invited Sandi on a class trip to an art history museum where Sandi met Loren's aunt. Two weeks after the class trip, Loren asked Sandi to marry him and they were engaged. After almost a yearlong engagement, they got married on August 7th, 1971 at American Sunday School Union Camp. Their weeklong honeymoon took place at Word of Life Bible Institute on Schroon Lake. Now, 50 years later, they are still married and live a blessed and full life in their little ranch house in Alden, NY.

QUICK CHECKS

BRIEF, BUT INFORMATIVE UPDATES ON SOME OF THE FOLKS FROM CHURCH

Chris, Amanda, & Curtis Snyder

(pictured left)

Chris and Amanda are truly enjoying parenthood and feeling very blessed. Curtis is really smiling these days. Amanda says that Curtis is sleeping around 5-6 hours at night so that does allow mom and dad to catch some good winks in between. Chris did some fishing this past weekend, he really felt invigorated just getting away from usual routines for a bit. They do have plans to connect with some of Amanda's extended family down in Eden, NY this weekend. Judging by the picture they are doing great!

THOUGHTS FROM ROBERT MAST

Remember we are in the year 2020, and $20 + 20 = 40$. Also, 2020 is the year of the United States Census. Jesus Christ, the savior of the world, was born during a census. Lastly, 2020 is perfect vision. May our sight focus on the Lord and living according to His perfect vision for us, knowing He holds us in the palm of His hand. May these days of “quarantine” bring spiritual liberation to our souls, our nation, and our world. The best is yet to come. Trust in the Father, Son, and Holy Spirit.

SENIOR SPOTLIGHTS BY HEIDI ALBRECHT

CCAM has four seniors that have attended church and/or youth group that we would like to recognize during graduation season. Mary Rose Herring has been a CCAM youth group member for several years. She is the daughter of Jason Herring and Julie Reiner and the granddaughter of Dave and Judie Herring. Mary Rose attended Akron Central High School and Harkness Career & Technical Center her junior and senior year, taking Health Careers and Basic Nursing. She was selected for the National Technical Honor Society this year. She was awarded the Emily Rose Memorial scholarship for \$500 and the Marshall Family scholarship, also for \$500, which is presented to an outstanding student

who will be attending college for health care studies. Based on her academic profile, Mary Rose has been accepted to D’Youville College’s Bachelor of Science in Nursing program this fall on a four-year, \$14,000 yearly, President’s scholarship. Way to go, Mary Rose! Mary Rose enjoyed the freedom of completing assignments on her own time due to school being closed during the pandemic. She is unsure what area of health care she would eventually like to work in but enjoyed her student learning interactions in a nursing home. Mary Rose is employed as a cashier at Akron Pharmacy. In her free time, she enjoys hanging out with her family and her cats, Blue and Aubrey, and painting.
