The great mask maker

Many thanks to **Esther Mast** for the many face masks she has sewn during the pandemic. She even made me a custom mask to fit me more comfortable. "Hey Esther- **Arlene Snyder** sends her thanks-she loves the mask."

Quick Check in with Judie Herring

Dave notes that **Judie** is doing well- when I called she was baking cookies for their granddaughter MaryRose's graduation party this Saturday.

Robert Mast shared with me the other day his notebook titled "collection of wit and wisdom" in there I found a very touching story about a husband who dearly loved his wife. As the story goes..... "**The husband insisted he needed to go to the nursing home and be there on time so he could have breakfast with his wife. I then inquired as to her health, he told me that she had been there for a while and that she was a victim of Alzheimer's disease. As we talked I asked if she would be upset if he was a bit late, he replied that she no longer knew who he was, and that she had not recognized him in five years now. I was surprised and asked him and you were still going every morning even though she doesn't know you? He smiled and patted my hand, and said she doesn't know me, but I still know who she is.**"

Prayer request update

Reached out to Katie Poole for an update on her mom **Sunne**, she is doing very well- looking to be discharged this Thursday. She will be staying with Jon and Kate as she gains strength.

Jerry and Verna Mae traveled to Lowville last week to attend services for their sister in law **Connie Boshart**. Although very sad, Jerry and Verna Mae provided much comfort for the family. Jerry noted that Connie passed way in her home, the same place that her husband, Jerry's twin brother Harold did years earlier.
